MESSAGE FROM THE BOARD OF GOVERNORS

HYC is pleased to welcome May's new members: Marley Cusick, Brent and JoAnn Oto, Blues Buckholz, Cary and Malina Schiff, Dylan Schiff, and Dianne Washington-Kay.

As you know, the club is currently all about Transpac and more Transpac. A huge thanks for all the work being put into it. We ask each member – military, junior, regular, social, senior, life – to sign up for one volunteer shift each.

Members have always asked for more food service, and the Galley is now open for dinner on Thursdays (window service), Fridays, and Saturdays, as well as for Sunday brunch.

Let's support our Galley consistently, not just on Friday nights; think about making the Galley your Thursday evening casual dinner spot, your Saturday evening out, and your Sunday brunch with the best view in town.

There are a number of small things going on under the radar, with members and committees working on the gate card system, fixes to the club, updating the bylaws, holding potential new member barbeques, and much more...

With summer here, there's more activity around the club, from racing to junior sailing to sailing classes. This is a great time for juniors or adults interested in sailing lessons, as there is something to fit every schedule and need.

See you at club enjoying these summer evenings!

MARKETING

Over the last three months we have reached over 18,700 people by purchasing advertising for Hawaii Yacht Club Facebook posts. Of these people, 4,850 engaged the posts by liking or sharing them and 82 started conversations with us via Facebook Messenger. Due to all this interest generated by Facebook and other venues, the Board of Governors has agreed to continue with a monthly budget for marketing.

I am very happy to announce that the marketing team is expanding with the addition of four new members. Not only are they full of creative ideas, but they all have extensive experience in creating and promoting events.

Thanks always to Bri for her efforts to get the bi-weekly e-blasts out to the membership.

Transpac is just over the horizon and we'll be going "full and by" to promote the club.

Aloha,
Rich Smith

CRUSING AND VOYAGING SOCIETY

Aloha Members,

The HYC Cruising and Voyaging had its 14th Anniversary party in the upper galley of the club on April 28, with cruisers and friends gathering for our annual party. The cruisers had live music and a variety of food, and enjoyed a nice evening of merriment. Thanks to all that participated in the fun; it is always better when you are here with us.

On May 7, we had our monthly meeting and presentation in the lower galley. We had as our featured speaker Sam Brecher, who sailed his small 30-foot boat over with his friend A.H. After several days into the voyage, they lost the auto pilot and resorted to heaving-to every night as they made a slow crossing of 48 days. Well done to Sam for giving us a fun and entertaining presentation of the crossing's victories and tribulations. Sam is now staying at the club and planning his next adventure.

Our Sunday brunch was held on the third Sunday (May 19), and we discussed our upcoming trip to Pokai Bay on the Waianae coast. At the time of writing, we are planning for 10-12 crew members to go out on four boats for Memorial Day weekend, and it looks like it will be a great weekend as the weather seems to be cooperating! More details to follow in next month's *Bulletin*.

Our next meeting and presentation will be on June 4 at 6:30 p.m. in the lower galley, with a presentation by Brian and Mizzy Black.

MAYHEM FUNDRAISER

Aloha HYC Members and friends,

My wife and I would like to thank everyone for their generosity and support in making TransPac happen for Team Mayhem. Originally the fundraiser was to help purchase a water maker, but due to unfortunate circumstances, namely losing one of our crew, we actually need the money to ship *Mayhem* to California. We raised $5700, and can't thank everyone enough for your hard work and donations to make it a success. There are way too many to thank for working so hard, lending time, sweat, and Aloha to the cause.

We would like to welcome Mike Pacholski to the *Mayhem* crew. Mike has just graduated from the University of Hawaii, where he was a member of the UH Sail Team, and this will be his first TransPac. The rest of our crew are HYC members Dillon Rainwater, Aaron Williams and myself proudly representing Hawaii Yacht Club.

Please follow us on Yellowbrick and Facebook.

Steven and Tracy Eder

It is now less than 2 months before the 100 Transpac race boats arrive in Hawaii.

HYC has always been a big supporter of this event and we are positioned to be in the center of the action. **Certain member boat owners with slips within the grounds of HYC will be asked to temporary relocate from their slips during Transpac for 1 to 2 weeks (from about July 18-28) to accommodate Transpac Yachts. Transient boats docking at HYC will be asked to relocate during this time period.** The HYC Commodore, Port Captain and BOG will be assisting those that are asked to vacate their slip with alternate locations. The slips requested will be mostly at the Aloha dock and makai (south) side slips. For additional information please refer to the HYC By-Laws and Mooring and Storage Facilities Standing Rules.

HYC should be planning to host up to 20 boats for visiting yachts within HYC grounds and play host to the boats that will be moored along the 500 Row in and other locations within the Ala Wai Harbor.

For general information, go to the Transpac website https://2019.transpacyc.com/

Volunteers/boaters are needed and if you are interested in the committees under Harbor Operations, they include:

Pier Operations – the actual placement and mooring of the yachts, arriving day or night, and getting all 106 yachts secured safety. **Contact Chris Harmes on 808-953-0025 for more information.**

Escort Boats – the 'Follow Me' power boats that meet the arriving yachts at DH Lighthouse (the 'Finish Line') and escorting them to their mooring locations. **Contact Rachel Simon on 808-375-9489 for more information.**

Boat Hosting – throwing a party for each arriving visiting boat (with rum filled pineapples and fresh food). Pick a boat and have a party. **Contact Cathy Pratt on 808-382-0595 for more information.**

Shuttle Boat – the Ala Wai harbor transportation system to get the yachtsmen and women from club to club and to/from the Transpac shack (Transpac HQ along the 500 Row). **Contact Lenny Cantor on 808-285-2766 for more information.**

Feel free to contact me. Thank you in advance for your help.

Regards,

Doug Allen, V/C Harbor Operations.

A welcoming Host Committee member will follow up with details and confirmation of your participation!

We look forward to your participation and welcome you joining us in providing a warm Aloha to all arriving yachts, crews and families!

Aloha sailing fans!

The 50th Transpac draws near and Hawaii Yacht Club, along with the entire Hawaii sailing community, is very excited. As such, the HYC Transpac Planning Committee is working to make this historic event memorable for the club, its members and the race participants. The committee is developing plans for the event to include the wide variety of tasks that must be accomplished to pull it all together. To ensure a raving success we need volunteers - WE NEED YOU! Volunteers will be the key to a fabulous HYC Transpac experience. You, the members and friends of HYC, can make all the difference. Please consider volunteering to support our HYC 50th Transpac festivities.

If you are interested in volunteering for Transpac, please send your name, phone number and email address to the planning committee at hyctranspac@gmail.com.

The dates for which volunteers will be needed are approximately July 17-27, with the largest number of volunteers needed for the main HYC Transpac party on July 24. The committee will be assigning specific tasks later this month. However, please feel free to indicate if you have any specific task/date/time requests for volunteer opportunities and the committee will try its best to match those requests with the volunteer roster and task list.

Let's get all hands on deck, sheet in our sails tight and cross the finish line strong to give Transpac a grand Hawaiian Aloha!

JUNIOR SAILING

Hawaii Yacht Club's summer sailing classes are underway! We have novice and intermediate classes from 9 a.m. to noon and racing classes from 1 p.m. - 4 p.m. Classes meet Monday through Friday at the club. Contact Scott at jrsailing@hawaiiyachtclub.org for more information.

The Laser District 26 Championships were held on May 11 at HYC. There are 26 districts in the USA for laser sailing and Hawaii is number 26. We had 20 sailors racing - special congratulations to Chris Howell and Charles Wilson for their first laser race. Winds were shifty in the 10-15 knot range, and we had to move the marks many times during the day. There were dolphins swimming during the postponement so that was cool! Thank you to Marley Cusick for race committee and Sandy Park/Trent Chismar for safety boat.

Coming up next are the Pearl Harbor Youth Sailing Invitational on June 15 and the US Sailing Junior Olympic Festival July 2-3 and July 8-13.

The schedule is as follows:

Laser July 2-3

420 July 8-10

El Toro/Topper July 11-12

Open Bic July 13

Banquet July 14

Adult Sailing Lessons

Do more things that make you forget to check your cell phone!

Learn to sail!

Hawaii Yacht Club is proud to offer adult sailing lessons to the public.

Lessons are conducted in a Cal 20' keelboat, which is a stable, forgiving, and easy-to-sail vessel.

Class size is limited to two students per instructor for each on-the-water lesson, so you will have plenty of time to practice your sailing skills and to ask all your hardest questions!

Skills covered in the class are knots, rigging the boat, tacking, jibing, sail trim, hull trim, points of sail, docking, and more.

The sailing portion of the instruction includes four (4) three-hour learning sessions aboard the Cal 20.

Our instructors are US Sailing trained and certified instructors, also certified in CPR and First Aid.

$495.00 for one person.
If you learn to sail with a friend or spouse,
the second person learns for half-off the price!

For Hawaii Yacht Club members, there is an additional 25% off the cost.

Contact Instructor Scott Melander at 808-220-6430
or email Scott at JrSailing@HawaiiYachtClub.org
