MESSAGE FROM THE COMMODORE

Aloha members and friends!

I'd like to thank you all for your understanding and patience in the absence of our full-time office manager, Rosemary Ka'imilei Keamoai-Strickland. Last year's Miss Aloha Hula, she was attending the Merrie Monarch Festival again this year and unfortunately got sick. In her absence we have limited office hours which have been posted outside the office.

Nikki Deheart has come off the Board of Governors as her job has taken her to the mainland. Sunny Mills has stepped up to the plate to fill in until she returns to Oahu full time and can volunteer again.

School will be out soon and the club will be buzzing with the sound of keiki enjoying the Ikaika and junior sailing programs. Looking forward to a busy summer filled with lots of fun on the water.

Hope to sea you soon at the club or on the water.

VICE COMMODORE'S REPORT

Aloha Members,

Mondays are BBQ days for members. The big grill is open and club is mellow. Come and enjoy the quiet atmosphere while you cook your best BBQ recipe.

On Thursday, the 5th of May, it's Cinco de Mayo and Chef Sean will add items to the normal menu to help celebrate, one of which will be NACHOS, of course! Quentin Michael will play some music that is fit for that celebration.

Friday night beer can races are always happening and if you haven't been here for a while, we have had about 15 boats racing each week. It's great to see.

Saturday May 7th is the Kentucky derby Watch Party. The bar will open at 9:30 a.m. and TVs will be tuned to the Derby. We will have a raffle so that you can "bet" on your favorite horse, and for the ladies there will be a best hat contest. So ladies, wear your best derby hat and drink bubbles and juleps!

We can't talk about May without talking about Mother's Day: this year Chef Sean has a special menu for brunch. Mom deserves the best, so make your reservations.

There are two other holidays during the month worth mentioning: Armed Forces Day on the 21st and Memorial Day on the 31st. Come by the club on these days and enjoy the comradery and our beautiful view.

RC SAIL REPORT

Aloha sailors!

The HYRA season is in full swing and we have another great race in the books. This year's Rabbit Island Race was certainly no disappointment: 14 boats, wind, big waves, and even a bit of rain. The pre-race started off fairly light. As a weak front passed, the wind increased and passing squalls kept the crews hydrated. Congratulations to *Boomerang* for finishing first in class and first overall. And our next HYC HYRA race is the Sweetheart Regatta - *Wahine* Big Boat on May 14. We hope to see lots of our *wahine* sailors competing in this great race.

Last year US Sailing (USSA) decided to discontinue administering PHRF fleets -- we here in Hawaii were one of those fleets. YRA of San Francisco has been selected as our fleet's new administrators. Because there are variances between the ratings that USSA and YRA provide, we really need all boats that race to apply for a new rating from YRA. Using a single rating (YRA) will ensure that all boats are measured with the same criteria. To encourage our fleet to complete their applications, boats competing in HYC sanctioned events will not be eligible for placings and prizes without a current YRA NCPHRF certificate. This includes HYRA and Friday Night Races, and is effective May 1, 2022.

Racers: Please go to the YRA (YRA.com) site and complete the simple form and submit the $50 fee. Once you receive your new rating, please forward a copy to RCSail@hawaiiyachtclub.org.

HYC is holding a club race on May 21st. This will be a great opportunity to show off your short handed skills with Single handed, and Double handed divisions as well as Open and Novice divisions. This will be an excellent follow-up to the "Intro to Racing" seminar we held on April 30th. I will hold a refresher class after the skipper's meeting on Saturday 21st prior to the race. Proceeds from this event will go towards the restoration of the Louis Abrams Perpetual Trophy. This is an original Trans Pac trophy that was re-purposed as a Lahaina Return trophy.

I hope to see you on the water soon!

RC POWER REPORT

Aloha all,

Regarding the HYC Virtual Fishing Tournament, we haven't had many people out fishing this month. Maybe they have been paying Uncle Sam some taxes! However, in the picture below, Roger Takabayashi was out catching some bottom fish! That's him at the helm in his boat, *4 Play*.

For the month of April, we had the HYC Membership Power & Sail Fishing tournament. Six boats participated and not one caught a fish! There were plenty of fish stories, but the fish won. And the sailboats out-numbered the powerboats! I am scheduling a date to re-do this tournament so someone can claim the prize money. Most likely this will happen in June (date to be announced).

Looking to the month of May, we have two tournaments scheduled: The HYC Open Tournament will be held on Saturday May 7th and the Senorita Tournament will be on Saturday and Sunday, May 28th & 29th (fish on Saturday & party on Sunday!). The Senorita tournament will be co-hosted by Hawaii Yacht Club and Waikiki Yacht Club. It promises to be one of the more popular tournaments of the year!

Hope to see you at the club or at a tournament soon!

Mahalo,

Mike Claus

JUNIOR SAILING REPORT

It is one month until summer sailing begins and we are getting psyched!

Some exciting things we have coming this summer are certificates for "Novice Sailors," "Novice Skipper," and "Single-Handing" for graduation at the end of each session. These will not be participation trophies: kids will have to work hard and demonstrate their skills for the requirements of each certificate. Below is an example of the Novice Sailing skills that will be worked on, with the next step being Novice Skippering:

Safety
- Am I being Safe

Self Rescue
- Capsize
- Man Overboard
- First Air

Signals
- I Need Help
- International I'm O.K

Boat Handling
- Wind and Indicators
- Weight And Sails
- Starting and Stopping

Rules of the Road
- Avoid Collisions

Knots
- Figure 8

Sportsmanship
- Are you treating yourself and others with respect

Kids will work through each stage at their rate, with our coaches helping them along safely and in a fun way! If kids in the beginning stages of learning are unsure about committing to learning all the skills immediately, they will be able to take part in our cruiser awards at the end of each session. Don't get me wrong, they will still learn a whole lot while they are dashing through the waves with their flags dancing. Novice Sailors will learn and work on the foundational skill of sail work, weight distribution, safety skills, a knot or two, and the importance of sportsmanship. Once kids have shown competence in understanding the sails and how they and the sails work together to move the boat forward, they will begin the process of learning to skipper a boat. Being a Novice Skipper, they must become aware of their environment a little more. They will be in charge of a little boat and that comes with responsibility: responsibility for the boat, and responsibility for the crew.

The last step of Novice sailing will be Single Handing. Here sailors will have to take on the challenge of being in charge of a vessel all by themselves. This will require concentration, alertness, patience, and sportsmanship to navigate safely through the harbor and out in the open blue.

This summer we will be looking for volunteers to help watch kids, move and launch boats, and relax at the club while the kids sail. Our schedule is Monday through Friday, with morning classes from 9:00 a.m. to noon, and afternoon classes from 1:00 p.m. to 4:00 p.m. If you are interested in helping, please reach out to me at jrsailing@hawaiiyachtclub.org or text me at 808-220-6430. This will count towards membership volunteer needs, and what better way to spend the summer then to hang out with a bunch of new sailors. I will only be needing so many volunteers per day, so once we are in touch I will be setting up a schedule.
